Dear John Allen:

Were you the one who gave me the address of a used book dealer in England called "Pax House?"

I remember someone giving me the name and address, and I received one list, but have misplaced or thrown out through error both list and address.

If you're the man, be so kind as to forward me the address again.

Sincerely,

*Wm. Jackson*

P.S. The BIG ONES are doing fine -made every service of our recent meeting; are in the midst of their canning now.
